

## Campy Films, Midnight Movies, and Cult Classics

### Round 1

1. As musical theatre fans, we all know about the Rocky Horror Picture Show. But what's the "sequel" called?  
B. Shock Treatment
2. In 1959's "Killer Shrews" what are the shrews played by?  
C. Dogs in fur suits
3. The 1960 movie Little Shop of Horrors is the basis for the musical we know and love, and it featured an early appearance by...  
C. Jack Nicholson
4. Who wrote, directed, and starred in "The Room" and still didn't notice a dog in the shot until mid-take?  
D. Tommy Wiseau
5. In 1990's "Troll 2," vegetarian goblins poison people to turn them into plants and eat them. Which of these is sold to tempt mortals at the general store?  
A. Nilbog Milk
6. Ed Wood may have been known as one of the worst directors of the 50s, but the 1994 biopic of his life directed by \_\_\_\_\_ won two academy awards.  
C. Tim Burton
7. What was NOT an official alternate title for the film we now know as "Reefer Madness" (1936)?  
A. High Crimes
8. Which character from Spykids (2001) now has their own Grindhouse-style series?  
D. Isador Machete Cortez (Danny Trejo)
9. Who does NOT appear in Being John Malkovich (1999)?  
C. Joan Cusack
10. In what film does Nic Cage emphatically list off the entire alphabet?  
B. Vampire's Kiss

### Round 2

1. What film features Sean Connery in orange bandoliers and not much else?  
B. Zardoz

2. From what cult classic did the band Duran Duran get their name?  
A. Barbarella
3. What is the score of "Attack of the Killer Tomatoes" on the site Rotten Tomatoes?  
B. 27%
4. Which of these real films "from outer space" was most recently released?  
B. Elvis from Outer Space
5. Which actor has repeatedly trolled Conan O'Brien with one clip from "Mac and Me," an ET rip-off with heavy McDonalds branding?  
D. Paul Rudd
6. Space Mutiny(1988) got a second wind after an episode of Mystery Science Theatre 3000. What was the protagonist's *actual* name?  
D. Dave Ryder
7. The team that made Austin Powers made a couple of nods to *this* campy classic including mimicking the presidential ringtone and featuring a clip on Austin's honeymoon.  
B. In Like Flint
8. What is NOT true of the low-budget "Birds" ripoff "Birdemic: Shock and Terror" (2010)?  
A. It's set on Long Island
9. In Wicker Man (2006), what critters are placed into a cage around Nic Cage's head?  
B. Bees
10. I don't even know how to write a question about this one. Please just watch a clip of Neil Breem's "Fateful Findings."  
A. OK! Roll it.
